

6. ANNOUNCEMENTS

A. Meeting Orientation for New Attendees/Viewers. In conformance with the Brown Act and the adopted City Council Rules, the meeting agenda includes items labeled as Action Items, where the City Council may consider the item. If the City Council considers the item, citizens will be afforded the opportunity to provide comments relevant to the item being discussed. The meeting agenda also includes a Citizens Business item, which is the designated place on the agenda where citizens have the right to say whatever they wish. However, the Brown Act prohibits the City Council from taking action or considering any item that is not on this agenda, to ensure that other members of the community who wish to provide comment are notified in advance through a properly noticed meeting agenda.
